My dear Captain, I love you

by MiaQc

Summary

A dark story. Pikmin with a touch of H.P. Lovecraft. This story was inspired by a Pikmin fan animation.
Olimar has been captured by a monstrous creature. The monster keeps raping him. His body is also transformed. After undergoing psychological torture, Olimar breaks down when he discovers the planet-devouring monster's identity.

- A translation of Mon cher capitaine, je t'aime by MiaQc

Captain Olimar plunges in and out of consciousness as the monstrous, indescribable creature rape his small body. All Olimar could see of the monster was his impressive size, long-nailed hands, numerous tentacles and familiar-shaped head before his eyes were gouged out, trapping him in darkness.

This doesn't stop the Hocotatian from feeling everything. The monster's fingers stroking his hair, rubbing his pointy ears, poking his big nose. His tentacles moving in and out of his ass hole. Other tentacles jousting with his cock, making him cum again and again. His tongue, as long as a plant stem, licking his chest, reveling in the captain's sweat. His big penis rubbing against his flesh.

Olimar doesn't understand what's happening to him. The captain remembers going to PNF-404 with Louie, because the Hocotate Freight company was again in debt. The President had sent him on a mission to collect treasure and pay off the debt. Again. Yet Olimar's helmet and space suit are gone. He should be dead and yet he's breathing. Where does this horror come from? And where is Louie? Is he dead?

"Orimaru." Said the monster suddenly, in an unfamiliar, yet strangely familiar voice. "My dear Captain, I love you."

The monster knows Hocotatian, but he pronounces Olimar in a different way, and sometimes he says words the captain doesn't understand. One thing's for sure. The monster says he loves him.

"I love you so much." He continues, as he continues to fuck Olimar's body. The captain, despite his eyes gone, wants to cry but only manages to sob. "Oh, Orimaru, my Orimaru, do not be sad. I don't want you to suffer. I want you to be happy with me."

Olimar loses consciousness again and wakes up to his wife's voice.

"How are you, my darling?"

The captain is in bed. He feels the blankets, despite the darkness, and his wife’s body as she hugs him.

"Did you have a nightmare?" His wife asks Olimar.

"I... Honey, I can't see."

He touches her face.

"My eyes are gone. That thing..."

"Shh! It's all right, love, let's have breakfast."

Olimar is suddenly teleported. He's sitting on a chair, his chair. He reaches out and touches the dining table.

"I cooked your favorite meal." Said Olimar's wife. "Pikpik carrots and..."

Suddenly, Olimar hears a horrible sound. The sound of a jaw crushing flesh and bone.

"Darling?" Calls Olimar, in a panic. "Are you there?"

She doesn't answer him.

"Don't be afraid, Daddy." Suddenly said his son's voice.

"He's eating Mom." Says his daughter's voice.

"What? Who's eating Mom?" Olimar asks.

"Him!" His son replies. "He devours everything. Planets, people. We're next."

Olimar screams as he hears the jaw close on his son's head. Blood spurts out and Olimar received the liquid.

"Don't be afraid, Daddy." Repeats his daughter. "He loves you and you're going to give him beautiful children!"

The captain hears the monster's mouth devouring his daughter and loses consciousness, again. He wakes up to feel the monster raping him, but this time something is different. Olimar feels what appears to be a penis inside him. It's nothing extraordinary, but the appendage is not in his ass, but in his front, as if he had a pussy under his cock.

"It's impossible!" He said between moans and sobs. "I'm not..."

"My dear, humble and divine Captain." Suddenly said the nightmarish creature. "Isn't it wonderful? I've given you womanly breasts and a beautiful pussy. Our children will grow inside you. We'll start a family, my Orimaru."

Olimar screams. He yells in rage, in despair. He orders the creature to stop, to let him go.

"Why, my sweet Orimaru? I love you."

"I WANT TO GO BACK TO HOCOTATE! I WANT TO SEE MY WIFE AND CHILDREN AGAIN!"

The monster laughed.

"Hokotatey? I devoured it long ago."

"W-What?"

"The planet and all its inhabitants. I am one of the Elder Gods. I was born in a primitive form, but my awakening has come. I am The Devourer. All will be consumed."

"NO, NO, NO!"

"Fear not, my beautiful Orimaru, the universe will then be recreated. As my companion, you can revive Hokotatey if you wish."

"It can't be! My family can't be dead! I WANT TO SEE THEM RIGHT NOW!"

"As you wish, my love."

Olimar feels the Elder God's penis ejaculate inside him. He loses consciousness. He wakes up in his house, with his family, but his eyes are still missing. He hears his wife's cooking something, but the food smells funny.

"It's ready, dear!"

The captain is teleported for a second time. He sits on a chair, his chair. He is seated again at the dining table.

"There you go!" Says his wife and Olimar hears her setting down plates.

"This looks delicious!" Said his son's voice.

"Nice, tasty meat!" Says his daughter's voice.

"Meat?" Olimar asks.

He fumbles and catches a piece of something in his plate. Olimar eats it. It's meat. Strange, the Hocotatians don't eat meat. Except Louie. This meat has a dubious taste.

"It’s... good? I mean, what is it?" The Hocotatian asks his wife.

"Oh, it's a special! The President in steaks!"

Olimar wants to throw up what he ate, but he can't.

"Yes, Louie gave it to us as a gift!" Explains his son.

"He's so sweet." Says his daughter.

"Louie? Where is he?" Asks the captain.

"He's always here, Daddy." Says his daughter.

"He loves you." Adds his son.

"What?"

Pieces of a mental puzzle fit together in Olimar's brain. It cannot be. Louie loves him? Then the Elder God would be...

"NO! He can't be Louie! Louie is incapable of such a thing!"

Olimar gets no answer, as he hears the bodies of his wife and children explode. He screams and finds himself back in the monster's clutches. His penis continues to penetrate his pussy.

"Who are you?" Asks the captain.

"I am an Elder God."

"What's your name?"

"You already know that, my dear Orimaru. You’re my captain, after all."

"L...Lou...Louie? NO! I WANT TO WAKE UP FROM THIS NIGHTMARE!"

"Your desires are my commands, my love."

Olimar is once again with his family, but he hears them dying in different ways, again and again and again. The poor captain is

psychologically tortured. When he finds himself with the male creature again, he touches his belly. It's grown. Olimar is pregnant!

"I beg you... if you truly love me, kill me."

"I can't do that, my love, my Orimaru."

"Then eat me!"

"NO! You're expecting children from me! Aren't you happy with me, in my dimension?"

"No, I'm not! I want to die!"

"I can't make that wish come true, my dear Captain, but I can cook you something to eat. What would you like? Golden Pikpik carrots in soup?"

"Tell me your name! As your captain, I command you."

Olimar should never have said his words. The monster answers him.

"Louie. My name is Louie."

Olimar's mind immediately breaks. He doesn't reply to Louie. He doesn't try to escape. He remains his love, his sex toy, and the "mother" of Louie's children for eternity.

When the universe is ready to be recreated, after Louie has devoured everything, he asks his love if he has a special request, if he wants his planet, his ex-wife and his children to be reborn. Olimar doesn't answer. The fallen captain merely moans as Louie fuck all his holes.
